

CYRUS D. MEHTA & PARTNERS EXPANDS IMMIGRATION PRACTICE WITH ACQUISITION OF CLAUDIA SLOVINSKY AND ASSOCIATES

Posted on October 1, 2024 by Cyrus Mehta

October 1, 2024 – Cyrus D. Mehta & Partners PLLC is proud to announce its acquisition of Claudia Slovinsky and Associates, PLLC, significantly expanding and deepening its immigration law practice.

Both law firms are renowned for providing exceptional legal representation in a wide range of immigration matters, including business immigration, labor certifications, removal defense, waivers, federal court litigation, citizenship, asylum, and more. Unlike many firms that specialize in just one area of immigration law, both Cyrus D. Mehta & Partners and Claudia Slovinsky & Associates have developed equal expertise in addressing the needs of both corporations and individuals.

What unites these firms is not just their legal acumen, but also their shared values. Both firms are deeply committed to delivering the highest quality legal services to immigrants, their families, and employers. They believe in the importance of positive outcomes—whether by reuniting families, securing asylum for the vulnerable, or helping U.S. companies and non-profit organizations obtain the talented foreign workers they need.

“We are honored to carry forward Claudia’s legacy of exceptional service to her clients,” said Cyrus D. Mehta. “I look forward to assisting her clients with the same dedication and care that she has shown over the years, ensuring they continue to receive the highest quality legal representation.”

Claudia Slovinsky added, “I am proud of the work we have done in changing lives, uniting families, and helping employers navigate the complexities of immigration law. I trust that Cyrus and his team will continue this mission with

the same passion and dedication.”

The acquisition will allow Cyrus D. Mehta & Partners to further expand its unparalleled expertise and exceptional client services in diverse immigration areas. Together, the firms remain dedicated to assisting companies and individuals alike in navigating the complexities of the U.S. immigration system, overcoming hurdles, and achieving their goals.

As part of this exciting transition, we are also pleased to welcome Dominic Kong, a highly skilled and experienced immigration attorney with deep expertise in employment-based immigrant and nonimmigrant visa petitions, to Cyrus D. Mehta & Partners. We also welcome Reynaldo Pabon who comes with law firm management experience and who will join as a management analyst to enhance workflow and technology. Their dedication and knowledge will further strengthen the firm’s commitment to excellence.
